Tekcapital plc - The World's Largest University Network for Open Innovation

Tekcapital's objective is to create value from investing in new, university-developed intellectual properties (IP). With its proprietary discovery search engine, linked to 4,500+ universities in 160 countries, coupled with expert scientific review, Tekcapital makes it easy to find and acquire the new IP needed to create a competitive advantage. Our IP services include invention discovery reports, search tools, analytics and IP professional recruitment to help universities and companies create value from new discoveries. Tekcapital plc is quoted on the AIM market of the London Stock Exchange (AIM: symbol TEK) and is headquartered in Oxford, in the UK. For more information, please visit www.tekcapital.com
